Q

How do I monitor my students?

A

If you're concerned about your students having the ability to contribute to your workspace, PBworks makes it easy to promote positive online behavior and discourage inappropriate comments.

Built in Accountability

Your PBworks automatically saves every version of a page, so you can go back in time if needed.

Edits are time-stamped. You always know who made changes and when they were made.

Monitor

PBworks will notify you by email or RSS vabout each change made to your workspace. Since it's easy to undo any edits, you never have to worry about students making negative edits.

PBworks lets you create a free educational workspace in 30 seconds. Use PBworks to create your own safe online space where you and your students build a shared space to exchange files, collaborate on group projects, and share knowledge.
